Providing Outstanding Education

CENTRAL COLLEGE

FOR A BETTER COURSE IN LIFE
WELCOME
TO CENTRAL COLLEGE

Central College is a professional career institution conveniently located by Stadium-Chinatown and New Westminster skytrain stations. Central College’s small class sizes and caring instructors from diverse backgrounds have been dedicated to student needs. Our newly renovated campuses offer an excellent environment for students to learn and explore.
ACCREDITATION

WHY CENTRAL COLLEGE?

• Central College has upheld its educational mission to provide high quality programs for students in an international atmosphere.

• Central College promotes an approach to education that advances cultural awareness, increases knowledge, and improves employment prospects for students from various cultural backgrounds.

• Central College provides ample opportunities to actualize theoretical knowledge through hands-on trainings in a variety of different situations.

• Central College offers after-graduation services that allow students to flourish as they take the next step after graduation.
Vancouver is beautiful, clean, safe, well-maintained, and conveniently located in the Lower Mainland of British Columbia. Vancouver International Airport is only 14km from Downtown Vancouver. Moreover, as a nature friendly city, most of the city’s streets and arterial roads are lined with trees and offer scenes of mountains. Beautiful parks and beaches are abundant throughout the Metro Vancouver area.

Vancouver has become a huge magnet for international students and tourists. While taking full advantage of BC’s excellent education system, students can shop at modern shopping centres and high-end boutiques in downtown. There is also a myriad of casual shops and restaurants offering immensely diverse cuisines to satisfy all tastes.

Vancouver is in close proximity to some of the greatest attractions in Canada, including Stanley Park, Queen Elizabeth Park, Capilano Suspension Bridge, Vancouver Lookout, Granville Island, Sea to Sky Gondola, and Vancouver Island. Vancouver often ranks as the best city to live in the world and the reasons are endless.
THE FACULTY OF
ENGLISH AS A SECOND LANGUAGE

Students will build English language and communication skills through our flexible, interactive, and adaptable curriculum.

- Program Intakes: August
DID YOU KNOW?

• Acupuncture is over 5,000 years old and is one of the oldest practicing forms of medicine known to date. It's believed the needles stimulate certain points on the body, creating a healing effect.

• Chinese herbs have been used therapeutically for over 3,000 years.

• Tui-Na is a therapeutic form of massage and has been used in China for more than 2,000 years.

• Moving and stimulating the flow of Qi energy and blood flow in the body helps address many imbalances and disharmonies.

• The World Health Organization released a report (“Acupuncture: Review and Analysis of Reports on Controlled Clinical Trial”) that endorses the use of acupuncture for many symptoms and diseases.
